The Seller shall supply new and authentic parts:

- no counterfeit or suspect counterfeit parts are to be supplied,
- distributors shall purchase parts directly form the Original Component Manufacturer / Original Equipment Manufacturer (OCM / OEM) or through an authorized Distributor,
- upon receipt of parts CAMATECH INC. requested Certification documentation must provide information that authenticates traceability to the applicable OCM / OEM assignment.

CAMATECH Inc.
Conditions of Purchase Order (continued)

FOREIGN OBJECT (F.O.D.) PREVENTION

The Seller shall implement all necessary arrangements for an effective Foreign Object Damage (FOD) Prevention program to reduce FOD. The Sellers program shall utilize effective FOD Prevention practices to prevent, detect and eliminate foreign object debris during manufacturing, assembly, inspection, storage, maintenance, packaging and shipping. The program shall be proportional to the sensitivity of the design of the product(s) to FOD, as well as, to the FOD generating potential of the manufacturing methods. For Aerospace Supplier, FOD Prevention Program shall be in compliance with AS/EN/SJAC 9146.

PERSONNEL COMPETENCE AND AWARENESS

The Seller shall be responsible for ensuring competency of personnel, including necessary qualification they must possess and that their personnel are aware of:

- their contribution to product compliance or service conformity,
- their contribution to Product Safety through manufacturing, inspection, packaging and shipping,
- the importance of Ethical Behavior and Confidentiality.

CONFIDENTIALITY

All information concerning this order is to be considered confidential by the Seller and is not to be communicated to any third party without the written consent of the Purchaser. Dissemination of any information concerning this order to the Seller's employees and or officers shall be strictly limited to those employees or officers directly concerned with the manufacture or supply of the item listed on the face of this order and its accompanying documentation.

GOVERNING LAW

The Laws of the Province of Ontario shall govern the terms, interpretation, and the rights of the parties under tis contract in the supplying and the manufacture of the goods. The Seller shall comply with laws of the place of origin and shall so manufacture the goods as to comply with the laws of the place of destination.

MARKINGS AND DOCUMENTATION

All Sellers documents pertaining to this order must display the Purchaser's order number and any additional information detailed in the supporting documentation conveyed to you with the order. Buyer may refuse to accept item if Seller fails to submit certifications, documentation, test data or reports required for procurement.

SUBSTITUTIONS

Substitutions of goods or services are not permitted without prior written consent of the Purchaser. Unauthorized substitutions of goods or services by the Seller shall be just cause for cancelation of this order by the Purchaser without further obligation of the Purchaser.

CORRECTIVE ACTION REQUEST

When a quality problem exists with any Seller item, Buyer may forward a "Corrective Action Request" to the Seller, requiring timely response (as stated on the Corrective Action Request), that shall include the following information:

- containment action,
- analysis of the cause of the problem (Root Cause),
- statement of the action taken to prevent recurrence,
- effectiveness of the action taken.

PURCHASER SUPPLIED ITEMS

Responsibility for the security and integrity of all items supplied by the Purchaser to the Seller that are to be incorporated into manufactured product or work performed as set out in this order rests solely with the Seller, excepting transportation to and from the Seller's premises. All discrepancies in item type and quantities received by the Seller shall be reported to the Purchaser within two working days of receipt by the Seller. The Seller shall be responsible for maintenance of a proper accounting of all Purchaser supplied items at all times and such accounting shall be available to the Purchaser on demand.

PARTIAL SHIPMENT

No partial shipments, short shipments or shipments with back orders are allowed without prior written consent of the Purchaser. Acceptance of any such shipment made by the Seller without the Purchaser's written consent is solely at the option of the Purchaser and any such shipment by the Purchaser remains at the sole risk and expense of the Seller.

SHELF LIFE, STORAGE OF GOODS AND / OR HAZARDOUS MATERIALS

If the Seller's goods supplied under this order have a limited shelf life or require certain storage conditions or are classed as hazardous goods by Transport Canada, then such information shall be supplied to the Purchaser in separate documentation sent with the Sellers commercial invoice to the Purchaser. Any documentation that may be attached to the goods by the Seller to satisfy any requirements of law concerning transportation of these goods is to be considered to be in addition to the documentation requirement mentioned elsewhere in this clause.
